Dear Mr/Mrs

I'm looking for a fulltime position or freelance projects as a 3D Artist. Here are some of my key strenghts that I would bring to the position who I am:

- disciplined and self-starter
- fast learning and always looking for new things to learn
- wide software experience
- ability to research own ideas and work as a senior to other artists
- strong entrepreneurship motivated with focus to succeed
- good teamspirit and taking deadlines serious

I think you will find me to be very personable and approachable. My skills in softwares and art should bring a strong assistance to your firm.

I hope that you want to meet me soon to discuss any job offers. You can reach me via the contact information above, I prefer email first, or by calling my cell number +46(0)762836688.

Thank you for your consideration

Sincerely

Johan Svensson
